KNOW ABOUT “ACHARYAPURAM”

“**Acharyapuram**”, a pioneering platform envisioned to inspire young minds, professionals, industry, academicians, and researchers who can ardently steer forward the ever-changing business landscape towards economic growth and technological transformation in the Agro domain.

It is an initiative by GBPUA&T, Pantnagar and IIFT New Delhi alumnus, Dr. Rahul Dev Pandey, having 20+ years of experience in the Agribusiness sector with exposure to 50+ countries. He is being teamed by professionals from different domains of this industry having vast experience in Market Dynamics, Supply Chain Management, Micro Finance, Finance, Agriculture Research etc. The institute's unique approach focuses on providing comprehensive training to participants, ensuring they are well-equipped with the skills and knowledge necessary to thrive in the dynamic corporate environment. The core team brings a wealth of industry insights and a commitment to fostering excellence in the agricultural sector.

ABMS, Greater Noida, founded by GBPUAT, Pantnagar, and IIFT New Delhi alumnus, emphasizes “learning by doing” and has dedicated farms and tie-ups with the industry to give hands-on experience to the students.

ABMS Greater Noida is a part of Acharyapuram Education Foundation (referred as “Acharyapuram”), a section 8 company dedicated for the improvisations and development of qualified manpower involved in the Agro sector.

VISION, MISSION & VALUES

OUR VISION

To be a global hub for agribusiness education & training, producing visionary leaders driving sustainable and innovative practices.

OUR MISSION

Our mission at "Acharyapuram" is to go beyond traditional academic boundaries, seamlessly blending theoretical knowledge with real-world applications, aspiring to be a beacon of innovative learning, dedicated to nurturing the next generation of leaders in the agribusiness sector.

For the Agriculturist

By the Agriculturist

To The Agriculturist

MESSAGE FROM “FOUNDER & CHAIRMAN”

Dr. Rahul Dev Pandey

Ph.D. - G.B. Pant University of Agriculture & Technology Pant Nagar
EPGDIB - Indian Institute of Foreign Trade, New Delhi

It is with great pleasure and enthusiasm that I extend a warm welcome to each and every one of you to ABMS, Acharyapuram Agri Business Management School.

Agriculture holds exciting possibilities as the future of agriculture is increasingly being shaped by technological advancements, sustainability concerns, changing consumer preferences and the need to meet the growing demand of food, fuel, and fibre for growing global population while minimizing the environmental impact. Agriculture is now moving towards a more interconnected, data-driven, and sustainable model that leverages technology. Agricultural stakeholders, including farmers, researchers, policymakers, and consumers, play a critical role in shaping this future by embracing innovation and practices that promote resilience and more robust food quality security systems.

Thus, in today's rapidly evolving agricultural landscape, the need for professionals who can navigate the challenges and opportunities of the agri-business sector is immense and continuously evolving. Our mission at ABMS is to foster a holistic learning environment that not only equips our students with the knowledge and skills needed for success in the dynamic field of agriculture but also instils a sense of responsibility towards sustainable and ethical practices.

At ABMS, we are committed to providing a comprehensive curriculum, cutting-edge research opportunities, and a supportive learning environment that empowers our students to excel in their chosen fields. I encourage each one of you to actively engage in all aspects of campus life, from academic pursuits to extracurricular activities. Our dedicated faculty and staff are here to guide and mentor you, ensuring that your time at ABMS is not only academically enriching but also personally fulfilling.

As we embark on this academic journey, let us embrace the spirit of curiosity, collaboration, and innovation. Together, we can contribute to the advancement of agricultural practices and make a positive impact on the Agri-business industry.

I look forward to getting to know each one of you and witnessing the incredible achievements that will undoubtedly emerge from our vibrant and talented community.

Industry Experts

Shri Ram Iqbal Singh

Founder Chairman,
NACOF & Ex. Chairman
NCCF India Ltd.

Shri Ram Iqbal Singh is the Founder Chairman of NACOF, a cooperative federation serving since its inception. With over three decades of experience in the cooperative movement, he has held key leadership positions across several reputed organizations.

He has served as Chairman of NCCF for two terms and as Director of NAFED, demonstrating strong leadership and vision. Under his guidance, NACOF has consistently achieved profitability, reaching a turnover of approximately D 2500 crore.

A dedicated and hardworking individual, he actively promotes business development through extensive nationwide engagement. Alongside his professional contributions, he has authored three spiritual books, including "Atma Se Sakshaatkar aur Parmatma se Parichay."

He is also associated with Acharyapuram ABMS Greater Noida, contributing to agricultural education and training initiatives, focused on enhancing students' employability and industry readiness.

Sh. BB Singh

Head – New Business
Development,
Tata Chemicals

Knowledge, education, and skills are often used interchangeably to describe an individual's capabilities. However, a significant skill gap exists among agriculture graduates across universities in India.

Acharyapuram ABMS Greater Noida through its AloCP programme aims to cater this and bridge the gap between academic learning and industry expectations, enabling graduates to become more employable and better prepared for corporate roles.

Mr. Ashok Sharma

Additional Director Rallis India
Limited, Ex. President Mahindra
Agri sector MD & CEO, Mahindra
Agrisolutions Ltd.

Fresh agricultural graduates often lack practical exposure to key agribusiness areas such as marketing, supply chain management, and finance. This limits their ability to perform effectively in corporate environments, where these skills are essential.

Addressing this gap requires strong collaboration between academic institutions, industry stakeholders, and policymakers. Structured training and industry-oriented learning is provided by Acharyapuram ABMS Greater Noida can play a crucial role in preparing students to become corporate-ready and creating sustainable career opportunities

Mr. S.K. Gupta

MD & CEO – National
Commodities Management
Services Ltd.

Skills play a vital role in defining an individual's competence and professional capability. Over time, the gap between corporate expectations and academic preparedness has continued to widen.

Focused skill development and industry-aligned training programs by Acharyapuram ABMS Greater Noida can significantly enhance students' readiness, contributing to their personal growth and long-term professional success.
